

EXPUNERE DE MOTIVE

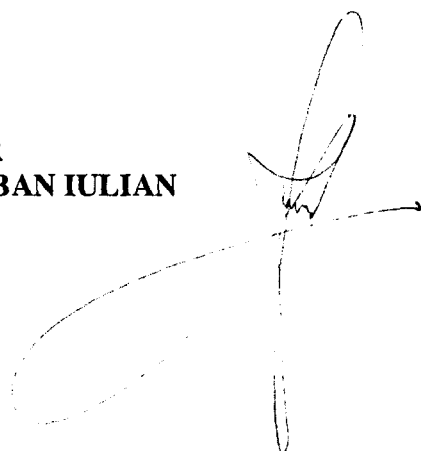

In conditiile in care majoritatea comerciantilor ce actioneaza in domeniul furnizarii/prestarii de servicii, inteleg sa impuna consumatorilor clauze contractuale conform carora pentru denuntarea unilaterală a contractului consumatorii sunt obligati la achitarea unei sume de bani,

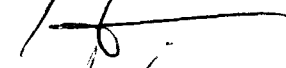

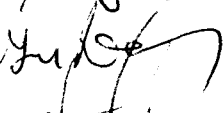

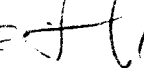

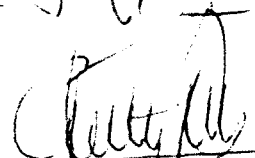

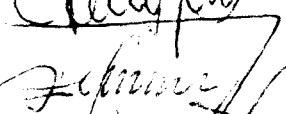

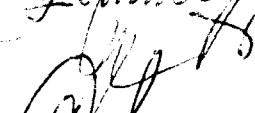

Raportat la faptul ca Legea nr. 193/2000 privind clauzele abuzive din contractele incheiate intre comercianti si consumatori, republicata 2008, contine in anexa alin. [1] litera j) o exemplificare ce permite eludarea acestei interdictii de catre comercianti,

In scopul clarificarii acestor inadvertente si cu intentia de a crea un cadru legal care sa reglementeze strict interdictia comerciantilor de a stipula in contractele incheiate cu consumatorii unele clauze care sa anuleze sau sa limiteze dreptul la denuntare unilaterală,

In temeiul Art. 74 din Constitutia Romaniei si in conformitate cu prevederile art. 85 alin.[2] din Regulamentul Senatului republicat, inaintam prezentul proiect de lege.
