

EXPUNERE DE MOTIVE

Prezenta inițiativa legislativă are drept scop declararea zilei de 10 mai – Ziua Declarării Independenței României, datorită multiplelor semnificații pe care la are această zi.

Restabilirea adevărului istoric și reluarea tradiției istorice dintre anii 1866 -1947, când era sărbătorită ziua de 10 mai drept Zi Națională a României, reprezintă unul dintre motive.

Un al doilea motiv este că România este singura țară din Uniunea Europeană care nu sărbătorește oficial Ziua Independenței.

Semnificațiile acestei date importante sunt: în 10 Mai 1881 România a fost proclamată regat, cunoscând ulterior, timp de mai bine de jumătate de deceniu, o perioadă de prosperitate și de progres economic și social; în 10 Mai 1866 prințul Carol de Hohenzollern-Sigmaringen depunea jurământ în fața Parlamentului Principatelor Unite; în 10 Mai 1877 Senatul proclama Independența statului român.

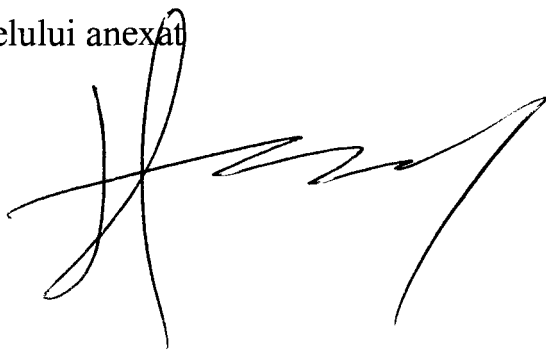

În toată această perioadă, ziua de 10 Mai a fost sărbătorită ca Zi Națională a statului român până când regimul comunist a denaturat faptul istoric și a anulat această celebrare, instaurând ulterior 23 august drept zi națională.

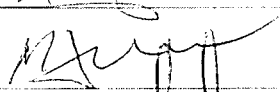

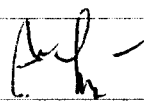

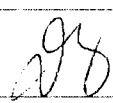

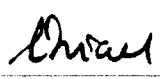

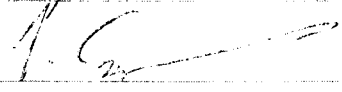

Din aceste motive, depunem prezenta propunere legislativă pentru recunoașterea importanței acestei zile pentru istoria poporului român.
