

EXPUNERE DE MOTIVE

Ministerul Apărării are o moștenire imobiliară importantă, **unitatile militare dezafectate, care trebuie valorificate în interesul cetatenilor.**

In acest sens am elaborat propunerea legislativa **privind declararea terenurilor si cladirilor dezafectate, apartinand Ministerului Apararii, ca fiind de utilitate publica, precum si transformarea acestora in parcuri sau baze sportive, respectiv in locuinte sociale.**

Prin derogare de la prevederile art. 7 din Legea nr. 33 din 1994 privind exproprierea pentru cauza de utilitate publica, propun declararea ca fiind de utilitate publica terenurile si cladirile dezafectate, aflate in proprietatea sau in administrarea Ministerului Apararii.

Primaria Capitalei va indeplini toate formalitatile in vederea solicitarii instantei judecatoresti competente a exproprierei pentru cauza de utilitate publica, a terenurilor si cladirilor mai sus mentionate, dupa o dreapta si prealabila despagubire.

Prefectii, primarii si presedintii Consiliilor judetene, impreuna cu reprezentantii Ministerului Apararii Nationale, vor **identifica** in termen de **60** de zile de la adoptarea legii, terenurile si cladirile dezafectate, disponibile in unitatile militare de pe raza fiecarui judet.

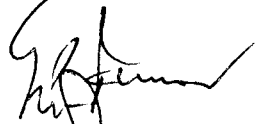

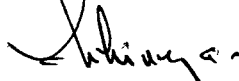

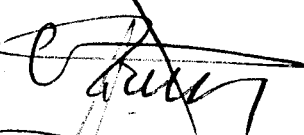

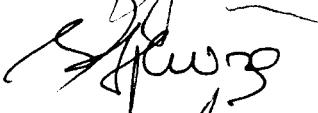

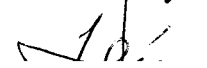

Prefectii, primarii si presedintii Consiliilor judetene, impreuna cu reprezentantii Ministerului Apararii vor face toate demersurile legale in vederea transformarii **terenurilor**, identificate potrivit art. 3, din

prezenta initiativa legislativa, in parcuri sau baze sportive, respectiv a cladirilor in locuinte sociale

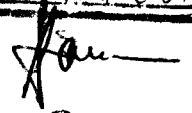

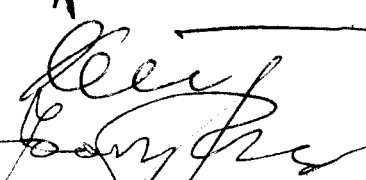

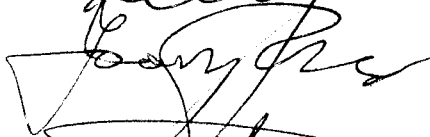

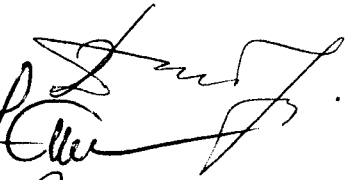

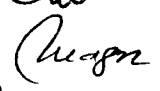

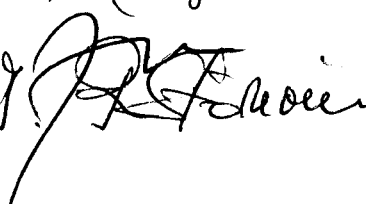

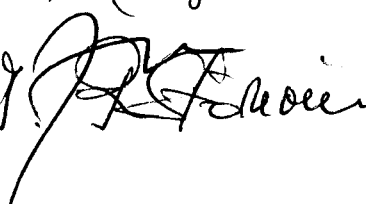

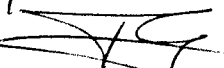

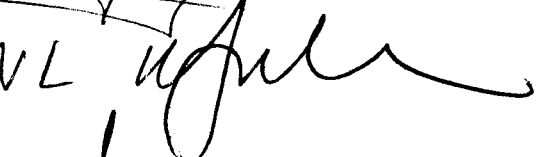

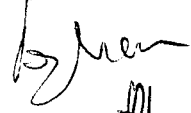

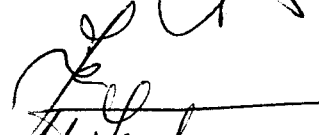

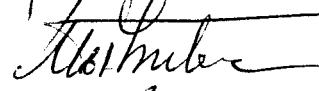

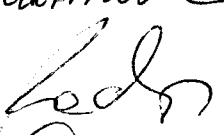

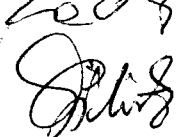

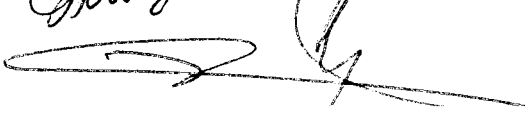

Guvernul Romaniei va urmari aducerea la indeplinire a prevederilor prezentei legi.

Cu toate ca ar trebui sa existe o evidenta stricta a terenurilor aflate in posesia Armatei dupa unele estimari, valoarea de piata a terenurilor Ministerului Apararii depaseste un miliard de euro doar in Bucuresti.
