- (2) Cererea de transferare poate fi refuzată dacă persoana condamnată nu a achitat sumele, cheltuielile, compensațiile, daunele, amenzile și sancțiunile financiare de orice fel în legătură cu pedeapsa.

Articolul 6
Procedura de transferare

- (1) Părțile vor informa persoanele condamnate cu privire la conținutul Tratatului.
- (2) Orice transfer efectuat în baza prezentului Tratat va fi inițiat prin canale diplomatice, printr-o cerere scrisă, transmisă statului de transferare de către statul de primire. Statul de transferare va comunica statului de primire, prin aceleași canale diplomatice, fără întârziere, decizia sa cu privire la aprobarea sau respingerea cererii de transferare.

- (3) Statul de transferare va pune la dispoziția statului de primire următoarele informații:
- (a) numele, data și locul nașterii persoanei condamnate;
 - (b) o declarație privind faptele în baza cărora a fost dispusă pedeapsa;
 - (c) data începerii și încheierii pedepsei, perioada de timp executată de către persoana condamnată, precum și orice alte reduceri de pedeapsă la care persoana respectivă este îndreptățită ca urmare a muncii depuse, buneii purtări, reținerii, arestării preventive sau alte motive;
 - (d) o copie certificată a tuturor hotărârilor și documentelor referitoare la pedeapsă, precum și textele de lege în baza cărora au fost dispuse;
 - (e) orice alte informații suplimentare solicitate de către statul de primire, în măsura în care aceste informații sunt relevante pentru transferarea persoanei condamnate și pentru punerea în executare a pedepsei.
- (4) Fiecare parte, pe cât posibil, va furniza la cererea celeilalte Părți, orice informație relevantă, documente sau declarații, înainte de a transmite o cerere de transferare sau înainte de luarea unei decizii cu privire la aprobarea sau respingerea transferării.
- (5) Statul de transferare va da posibilitatea statului de primire, la cererea acestuia, de a verifica anterior transferării, printr-un oficial desemnat de către statul de primire, că acordul persoanei condamnate necesar pentru transferare sau a persoanei îndreptățite să acționeze în numele său, conform Articolului 4 alineatul 6 din prezentul Tratat, este dat în mod voluntar și în cunoștință de cauză cu privire la consecințele juridice ale transferării.
- (6) În cazul în care România este statul de primire va notifica decizia de transfer Regatul Thailandei.
- (7) Dacă statul de transferare aprobă transferarea, ambele Părți vor face aranjamentele necesare pentru transferarea persoanei condamnate. Persoana condamnată va fi predată autorităților statului de primire la data și locul stabilite de ambele Părți, pe teritoriul statului de transferare.

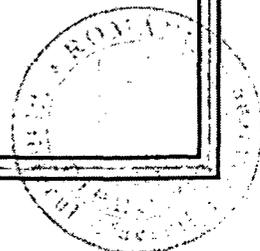

Articolul 7
Păstrarea competenței

- (1) În cazul executării pedepselor în baza prezentului Tratat, statul de transferare își va păstra competența exclusivă privind hotărârile pronunțate de instanțele sale, pedeapsa dispusă de acestea, precum și cu privire la orice proceduri de revizuire, modificare sau anulare a acestor hotărâri și pedepse.
- (2) Dacă statul de transferare dispune revizuirea, modificarea sau anularea hotărârii sau a pedepsei potrivit alineatului 1 al prezentului Articol sau pedeapsa se reduce, comută sau încetează, statul de primire ca urmare a notificării deciziei, va dispune în consecință.

Articolul 8

- (1) După transferare, statul de primire va continua executarea pedepsei dispuse în statul de transferare, conform legislației și procedurilor sale, inclusiv cele care guvernează condițiile de executare a pedepsei cu închisoarea sau altă formă de privare de libertate, precum și reducerea perioadei de executare în închisoare sau altă formă de privare de libertate, prin liberare condiționată, suspendarea executării pedepsei sau altele.
- (2) Fiecare Parte poate acorda grațierea, amnistia sau comutarea pedepsei potrivit legislației sale. Cu toate acestea, statul de transferare poate, în cazuri individuale, să condiționeze transferarea persoanei condamnate de acordarea grațierii sau amnistiei în statul de primire doar cu acordul statului de transferare.
- (3) În conformitate cu dispozițiile alineatului 6 din prezentul Articol, statul de primire va fi obligat să respecte natura juridică a pedepsei, astfel cum a fost stabilită în statul de transferare. În cazul în care conform legislației din statul de primire, autoritatea competentă din statul de primire trebuie să pronunțe o decizie sau o hotărâre privind executarea pedepsei stabilite pentru persoana condamnată de către instanța statului de transferare, statul de transferare va fi informat în acest sens.

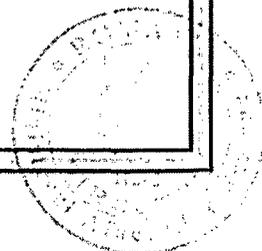

- (4) Atunci când pedeapsa impusă de statul de transferare este incompatibilă în ceea ce privește natura și durata cu legislația statului de primire, autoritățile sale pot adapta pedeapsa în acord cu prevederile din legislația națională privind infracțiunile similare, fără a depăși maximumul pedepsei prevăzută de legislația sa.
- (5) În cazul în care durata pedepsei impusă de statul de primire este mai mică decât durata pedepsei impusă de statul de transferare, acesta din urmă poate refuza cererea.
- (6) Nicio pedeapsă privativă de libertate nu va fi executată de statul de primire, astfel încât să depășească perioada prevăzută în hotărârea instanței din statul de transferare. Executarea pedepsei va corespunde, pe cât posibil, cu pedeapsa stabilită în statul de transferare. Perioada de privare de libertate executată înainte de data transferării va fi dedusă.
- (7) Statul de primire poate aplica conform legislației sale privind minorii, statutul de minor oricărei persoane condamnate, indiferent de statutul aplicat în legislația statului de transferare.
- (8) Statul de primire va notifica statul de transferare în următoarele cazuri:
- (a) persoana condamnată este liberată condiționat sau eliberată ca urmare a executării pedepsei;

Partea care intenționează efectuarea unui astfel de transfer va notifica în prealabil cealaltă parte cu privire la tranzit.

- (2) Oricare dintre Părți poate refuza tranzitarea:
- (a) dacă persoana condamnată este resortisant al său, sau

Article 4
Conditions for Transfer

A sentenced person may be transferred under this Treaty only on the following conditions:

- (1) the acts or omissions on account of which the sentence has been imposed by the transferring State constitute a criminal offence according to the law of the receiving State; this condition shall not be interpreted as to require that the offences described in the laws of the two Parties be identical in matters not affecting the nature of the crimes;
- (2) that person is a national of the receiving State and not a national of the transferring State;
- (3) the sentence imposed by the transferring State on the sentenced person is imprisonment or any other form of deprivation of liberty;
- (4) the sentenced person has served in the transferring State any minimum period of imprisonment or any other form of deprivation of liberty stipulated by the law of the transferring State;
- (5) at the time the transferring State receives the notification from the receiving State of its decision on the transfer, the sentenced person still has at least one year of the sentence to serve;
- (6) the transferring State, the receiving State and the sentenced person all agree to the transfer; provided that, where in view of that person's age or physical or mental condition either Party considers it necessary, the sentenced person's consent may be given by a person entitled to act on that person's behalf.

Article 5
Refusal to Transfer

- (1) A request for transfer of the sentenced person shall be refused under this Treaty on the following conditions:
 - (a) the sentenced person was sentenced in respect of an offence under the law of the transferring State:
 - (i) against the internal or external security of the State;
 - (ii) against the Head of State or a member of his family; or
 - (iii) against the legislation protecting national art treasures;
 - (b) the judgment is not final or other legal proceedings relating to the offence or any other offences are pending in the transferring State;
 - (c) the transfer of the sentenced person may prejudice either Party's sovereignty, security, public order or other essential interests.
- (2) The transfer may be refused if the sentenced person has not paid the amounts, costs, compensation, damages, fines or financial penalty of any kind related to the sentence.

Article 6
Procedure for Transfer

- (1) The Parties shall inform sentenced persons of the substance of the Treaty.
- (2) Every transfer under this Treaty shall be commenced through diplomatic channels by a written request from the receiving State to the transferring State. The transferring State shall inform the receiving State through the same channels and without delay of its decision on whether to approve or to refuse the request for transfer.

- (3) The transferring State shall provide the receiving State with the following information:
- (a) name, date and place of birth of the sentenced person;
 - (b) a statement of the facts upon which the sentence was based;

- (5) The transferring State shall afford an opportunity to the receiving State, if the receiving State so desires, to verify through an official designated by the receiving State, prior to the transfer, that the necessary consent of the sentenced person or of a person entitled to act on his behalf to the transfer in accordance with paragraph 6 of Article 4 is given voluntarily and with full knowledge of the legal consequences thereof.
- (6) In case Romania is the receiving State, it shall notify the Kingdom of Thailand of its decision on the transfer.
- (7) If the transferring State agrees to the transfer, both Parties shall make all necessary arrangements for the transfer of the sentenced person. The sentenced person shall be delivered to the authorities of the receiving State on an agreed date and at a place within the transferring State.

Article 7
Retention of Jurisdiction

- (1) Where sentences are enforced pursuant to this Treaty, the transferring State shall retain exclusive jurisdiction regarding the judgment of its court, the sentence imposed thereby and any procedure for revision, modification or cancellation of the judgment and sentence.

Article 8
Procedure for Enforcement of Sentence

- (1) The receiving State shall further enforce the sentence of the transferring State after the transfer in accordance with its laws and procedures, including those governing conditions for service of imprisonment or other form of deprivation of liberty and those providing for the reduction of the term of imprisonment or other form of deprivation of liberty by conditional release, remission or otherwise.
- (2) Each Party may grant pardon, amnesty or commutation of the penalty according to its laws. The transferring State may, however, in an individual case, make the transfer of the sentenced person dependent on the condition that pardon and amnesty in the receiving State shall only be granted with the consent of the transferring State.
- (3) Subject to paragraph 6 of this Article, the receiving State shall be bound by the legal nature of the sentence as determined by the transferring State. If under the law of the receiving State, the competent authority of the receiving State has to make a decision or judgment to enforce the sentence imposed on the sentenced person by the court of the transferring State, the transferring State will be informed accordingly.

- (4) Where the sentence imposed by the transferring State is incompatible in terms of its nature or its duration with the law of the receiving State, its authorities may adapt the penalty in accordance with the provisions of its law concerning a similar offence, without exceeding the maximum penalty stipulated by its law.
- (5) In case the duration of the sentence imposed by the receiving State is less than the duration of the sentence imposed by the transferring State, the latter has the right to refuse the request.
- (6) No sentence of deprivation of liberty shall be enforced by the receiving State in such a way as to extend it beyond the period specified in the decision of the court of the transferring State. Such enforcement shall as far as possible correspond with the sentence imposed in the transferring State. The period of deprivation of liberty before the date of transfer shall be deducted.

Nr. 51479 din 21.09.2016

Președintele României

Propun aprobarea,

Dacian Julien CIOLOȘ

Prim-ministru al Guvernului României

MEMORANDUM

De la: Raluca Alexandra PRUNĂ, Ministrul Justiției

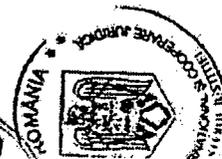

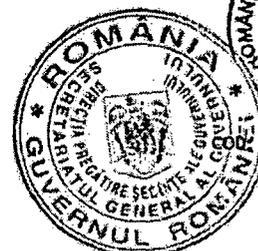

Avizat: Lazăr COMĂNESCU, Ministrul Afacerilor Externe

Tema: Aprobarea semnării Tratatului dintre România și Regatul Thailandei privind transferarea persoanelor condamnate

Elemente de context

Discuții preliminare pe tema încheierii unor tratate bilaterale în materie penală cu Regatul Thailandei în scopul modernizării cadrului juridic bilateral au fost demarate în anul 2013.

În acest context, ambele părți și-au exprimat interesul de a negocia încheierea unor tratate care să reglementeze aspecte de cooperare judiciară în materie penală, respectiv, asistență judiciară, transferul persoanelor condamnate și extrădare.

MINISTERUL JUSTIȚIEI

Pentru România încheierea unui tratat cu Thailanda în domeniul transferării persoanelor condamnate a constituit o prioritate, având în vedere că mai mulți cetățeni români execută pedepse în Thailanda pentru săvârșirea unor infracțiuni¹.

Istoricul negocierilor

În vederea pregătirii negocierilor părțile au efectuat inițial un schimb de proiecte de tratate care reglementează procedura transferării persoanelor condamnate definitiv în vederea executării pedepsei în mediul lor social de origine, favorizând astfel reintegrarea socială a acestora.

Prin Memorandumul nr. 74521/2014, anexat, a fost aprobată negocierea Tratatului dintre România și Regatul Thaiandei privind transferarea persoanelor condamnate.

În perioada 24-26 septembrie 2014 a avut loc la București o prima rundă de consultări asupra proiectului de tratat privind transferarea persoanelor condamnate. Cu această ocazie, Părțile au convenit asupra preambulului și a prevederilor cuprinse în articolele 1-3 din proiect, rămânând în discuție utilizarea unor termeni folosiți în cuprinsul tratatului, cum ar fi: "persoane condamnate" sau "infractori", "stat de transferare" sau "stat de condamnare", "stat de primire" sau "stat de executare" etc.

Având în vedere disponibilitatea părții thailandeze de a încheia tratatul respectiv cât mai curând, situația cetățenilor români condamnați în Thailanda, precum și faptul că Thailanda a încheiat până în prezent tratate cu o serie de alte state, inclusiv state membre ale Uniunii Europene (ex. Franța, Spania, Canada, Italia, SUA, Suedia, Marea Britanie, Finlanda, Germania, Portugalia, Austria, Israel, Polonia, Portugalia, Danemarca, Hong Kong, Regatul Arabiei Saudite, Elveția, Norvegia, Filipine, Estonia, Republica Cehă, Australia, Nigeria, Olanda, Mali etc.), partea română a efectuat demersurile necesare în vederea finalizării negocierilor în cel mai scurt timp.

În perioada 1-3 iulie 2015 a avut loc la Bangkok cea de-a doua rundă de negocieri la tratat, la invitația părții thailandeze. Pentru facilitarea discuțiilor, în urma analizei proiectelor de tratate încheiate de Thailanda cu celelalte state membre UE, delegația română a decis ca discuțiile să se poarte în principal pe baza textului propus de partea thailandeză asupra căruia partea română a formulat o serie de observații și propuneri.

Discuțiile s-au purtat pe articole, ambele Părți manifestând întreaga disponibilitate pentru identificarea soluțiilor legale aplicabile ambelor sisteme de drept. În acest sens, un aspect mai complex în cadrul discuțiilor l-a constituit identificarea procedurilor de transfer ținând cont de faptul că pentru partea română procedura este judiciară (hotărârile judecătorești trebuie recunoscute de instanță, iar aprobarea cererii de transfer se decide de asemenea de către instanță), spre deosebire de Thailanda unde procedura este administrativă și nu este nevoie de recunoașterea hotărârii judecătorești. A fost agreată folosirea termenului de "persoane condamnate", termen care este utilizat în instrumentele internaționale și în legislația română.

¹ Potrivit informațiilor primite de la Ambasada României în Thailanda, în aprilie 2016, 17 cetățeni români se aflau în detenție în Thailanda pentru condamnări între 6 și 50 de ani închisoare cu executare, condiție de penitențiar în această țară fiind extrem de dificilă.

MINISTERUL JUSTIȚIEI

După două zile de negocieri s-a convenit asupra conținutului tratatului, ultima zi fiind dedicată rafinării juridice a textului și parafării acestuia în forma anexată.

Proiectul de tratat cuprinde dispoziții referitoare la condițiile în care se poate acorda transferul, documentele necesare, precum și efectele transferării atât pentru statul de transferare, cât și pentru statul de primire. Prevederile tratatului sunt armonizate cu legislația în vigoare și cu obligațiile asumate de România prin instrumentele Uniunii Europene și tratatele multilaterale la care este parte.

Textul Tratatului a fost parafat la nivel tehnic, urmând ca în funcție de evoluțiile politice din Thailanda să fie efectuate demersurile necesare în vederea semnării acestuia.

Context politic

În cursul anului 2016, Ambasada României în Regatul Thailandei a informat cu privire la următoarele aspecte:

După lovitura de stat militară din 22 mai 2014, Uniunea Europeană a adoptat un set de măsuri restrictive (Concluziile Consiliului din 23 iunie 2014), prin care au fost stopate contactele politice între membrii guvernelor SM UE și Guvernului de la Bangkok, precum și vizitele oficiale ale acestora în Thailanda.

Potrivit Ambasadei, "reglementările UE în vigoare în ceea ce privește relația cu Thailanda (EU rules of engagement) convenite de statele membre la nivelul Grupului șefilor de misiune de la Bangkok (HOMs) și adoptate la nivelul Grupului de lucru al Consiliului pentru Asia Oceania de la Bruxelles (COASI) în vederea implementării eficiente a Concluziilor Consiliului permit semnarea de acorduri nepolitice la nivel corespunzător neministerial. Această prevedere este inclusă la punctul 9(h) al Raportului HoMS Bangkok din 19 octombrie 2015 (CFSP/ EAS/0985/15), adoptat în Raportul COASI din 30 octombrie 2015 (CFSP/ EAS/1013/15)²".

Ministerul Justiției a finalizat traducerea tratatului în limba română în vederea demarării procedurii privind aprobarea semnării. Având în vedere însă evoluțiile politice ulterioare din Thailanda, respectiv adoptarea unei Constituții care potrivit unor opinii consolidează puterea militară³, a solicitat Ministerului Afacerilor Externe reconfirmarea din punct de vedere politic a oportunității semnării tratatului, precum și transmiterea unor informații cu privire la alte state membre UE care au semnat tratate în domeniul justiției cu Thailanda după lovitura de stat militară.

Prin adresa nr. H2/2274 din 12 septembrie 2016, Ministerul Afacerilor Externe a apreciat că din punct de vedere politic nu există impedimente pentru semnarea Tratatului dintre România și Regatul Thailandei privind transferarea persoanelor condamnate, la un nivel corespunzător, respectiv ambasadorul României în Regatul Thailandei. Totodată, a informat că, potrivit comunicărilor transmise de misiunile diplomatice ale României, Ungaria este singurul Stat Membru al Uniunii Europene care se află în faza de semnare a unui tratat de extrădare cu Thailanda, însă, autoritățile ungare nu au luat încă o decizie cu privire la data și la nivelul la care se va încheia tratatul respectiv.

² Discussion on Member States bilateral agreements under negotiation with Thailand can be continued. Agreement of a political nature can be initiated and signed at appropriate non ministerial level"

MINISTERUL JUSTIȚIEI

Față de cele de mai sus, în conformitate cu dispozițiile Legii nr. 590/2003 privind tratatele, propunem:

- Aprobarea semnării Tratatului dintre România și Regatul Thailandei în domeniul transferării persoanelor condamnate, la o dată care va fi convenită cu partea thailandeză.

MEMORANDUM

De la: Robert-Marius CAZANCIUC, Ministrul Justiției

Avizat: Titus CORLĂȚEAN, Ministrul Afacerilor Externe

Tema: *Aprobarea negocierii Tratatului dintre România și Regatul Thailandei privind transferarea persoanelor condamnate*

În contextul creșterii fenomenului infracțional care dobândește din ce în ce mai mult un caracter transnațional, România este interesată să extindă cadrul juridic privind cooperarea judiciară în materie penală și cu state din afara Uniunii Europene și a Europei. Astfel, unul dintre statele cu care are interes pentru dezvoltarea cooperării judiciare în materie penală este Regatul Thailandei.

La momentul actual, între România și Regatul Thailandei nu există un cadru juridic bilateral în materia cooperării judiciare internaționale în materie penală.

Discuții preliminare pe tema încheierii unor tratate bilaterale cu Regatul Thailandei au demarat de câțiva ani, în contextul în care cetățeni români au fost arestați pentru diverse infracțiuni în Thailanda. În acest context, ambele părți și-au exprimat interesul de a negocia încheierea unor tratate care să reglementeze aspecte de cooperare judiciară în materie penală, respectiv, asistență judiciară în materie penală și extrădare.

www.just.ro

Pe fondul necesității stabilirii coordonatelor de bază care să asigure cooperarea bilaterală în materia transferării persoanelor condamnate, a fost apreciată ca fiind necesară încheierea unui tratat între România și Regatul Thailandei privind transferarea persoanelor condamnate.

În vederea pregătirii negocierii partea thailandeză a transmis un proiect de tratat privind transferul infractorilor și cooperarea în executarea hotărârilor penale (anexa 1).

Partea română a transmis, de asemenea, un contraproiect (anexa 2), care are ca obiect oferirea posibilității persoanelor condamnate definitiv în Regatul Thailandei de a-și executa pedeapsa în mediul lor social de origine, favorizând astfel reintegrarea socială a persoanelor condamnate.

Proiectul de tratat român cuprinde dispoziții referitoare la condițiile în care se poate acorda transferul, documentele necesare precum și efectele transferării atât pentru statul de condamnare cât și pentru statul de executare. Prevederile tratatului sunt armonizate cu legislația în vigoare și obligațiile asumate de România prin instrumentele Uniunii Europene și tratatele multilaterale la care este parte.

Negocierile urmează să se poarte în baza celor două proiecte, partea română urmând să insiste pentru o formă cât mai apropiată de proiectul român.

Partea thailandeză a solicitat, prin intermediul Ambasadei României în Regatul Thailandei, organizarea unei runde de negocieri, în perioada 24-26 septembrie 2014, la București.

În acest context subliniem urgența prezentului memorandum, având în vedere atât necesitatea creării cadrului juridic cu Regatul Thailandei în această materie în cel mai scurt timp - în prezent există cetățeni români arestați pe teritoriul Thailandei - cât și disponibilitatea părții thailandeze de a veni la București în luna septembrie pentru o primă rundă de negocieri asupra tratatului.

Față de cele de mai sus, în conformitate cu dispozițiile Legii nr. 590/2003 privind tratatele, propunem:

- Aprobarea negocierii Tratatului dintre România și Regatul Thailandei în domeniul transferării persoanelor condamnate.
