INTERNATIONAL DAY OF DEMOCRACY

15 September 2009

THE TEST OF COURAGE COMES WHEN WE ARE IN THE MINORITY.

THE TEST OF TOLERANCE COMES WHEN WE ARE IN THE MAJORITY.

Democracy is dependent on the expression of ideas and a culture of tolerance. Political tolerance implies freedom of expression, open dialogue and a diversity of views. It is the role of democratic institutions, such as parliament, to mediate tensions between diverging opinions and to accommodate the participation of all sectors of society.
